Amy Jones & Angel Rodriguez

After my 2 sons had lives of their own, it was time for me again. I was ready to make the move to Mérida & to create a new life for myself. I've had so much fun with Life in Mérida.

Creating Life in Mérida, Mérida Retirement Tours, & now Mérida Medical Services, I've come full circle to embrace ALL of my passions - writing, traveling, helping others, exploring local culture, & sharing the love I have for people & this wonderful city!

I look forward to meeting you in Mérida!

Amy Jones

I have made it a priority in my life to learn about the culture, the history & especially the food because Mérida is a gastronomic destination. Therefore, I've spent most of my working years in the food industry: focusing on customer service, attending details, & ensuring customers have the best experience they can have.

This is my foundation for customer service. I know making clients feel like they are part of a family is the secret to an organization's success.

I look forward to meeting you in Mérida!

Angel Rodriguez
